

LAQTA — Logo Colourways

13 variations · built from the approved artwork · colours from DESIGN.md

Recoloured from the approved file — letterforms, spacing and overlap shading unchanged

Off-white on ink

#F5F2EA on #14141A

Header, hero, film frames. The default on any dark surface.

Ink on paper

#14141A on #FAF8F3

The page ground. The default on any light surface.

Gold on paper

#83682A on #FAF8F3

The word in the brand accent. See the One Voice note below.

Gold on ink

#C8A24A on #14141A

Film gold — the accent as it appears on dark ground.

Olive on paper

#5D5D4B on #FAF8F3

The identity band colour carried into the word.

Olive on sand

#5D5D4B on #E9DCC3

Warm on warm — documents, certificates, print.

Sand on ink

#E9DCC3 on #14141A

Softer than off-white. Chrome inside a dark frame.

Sand on olive

#E9DCC3 on #5D5D4B

Gold cannot sit on olive — sand takes the accent role.

Off-white on olive

#F5F2EA on #5D5D4B

Footer, creator CTA, collection band.

Off-white on chrome

#F5F2EA on #1A1A1A

The app frame — sidebar, topbar, mobile nav.

Ink on card

#14141A on #FFFFFF

Cards, panels, invoices.
